# Classes

## **Bootcamp Circuits**

Bootcamp Circuits is a workout using battle ropes, kettlebells, TRX & other functional training equipment. Ideal for all levels of fitness, this workout will enable participants to choose what level of fitness to work. Circuits classes may vary in format.

## **Boxercise**

Boxercise is a fun and energetic routine using boxing moves for all levels of ability. Working all major muscle groups it provides an exhilarating exercise experience that delivers ultra-fast fitness results.

## **Fitness Circuits**

Fitness Circuits is ideal for developing all round fitness. Cardiovascular and resistance exercises are performed at a series of workstations, creating a fun and challenging workout that is different every time.

## **Group Cycling**

Group Cycling (on bikes) focuses on improving your aerobic fitness as well as toning your legs and bum. Great for losing weight and suitable for all levels of fitness.

## **Hatha Yoga**

Experience first-hand the benefits of Hatha Yoga. This yoga approach focuses on improving flexibility, muscle strength and balance. Each practice has a specific focus, which varies every week. Postures are linked with the breath, helping to focus the mind whilst working the body.

## **Krunch & Kore**

Krunch and Kore is an innovative workout designed to tone, tighten, and trim your body. This fun class format provides intense training for the abdominals and lower back muscles, improving balance and posture.

## **Pilates**

This proven exercise system teaches core strength, flexibility and fluidity focusing on breath, posture and alignment. This class helps you to correct common muscle imbalances and reshapes your body, which will become leaner and more toned.

## **Smash H.I.T**

A calorie torching workout based on max interval training. Get your body toned in no time with this fantastic workout.

## **Sweat To The Beat**

Sweat To The Beat is a full body workout that combines a body-weight, muscle conditioning, cardio and plyometric training moves synced to the beat.

## **Yoga**

Practice the physical postures of Yoga (Hatha Yoga) to renew and invigorate the body and free your mind from tension and fatigue. Get in shape no matter what your fitness level or age.

## **Zumba**

Zumba is a Latin inspired dance class. Cardio based workout with sculpting exercises designed to tone the entire body. It's fun, it's different, it's easy and it's effective!

## **50+**

Our 50+ fitness class is a low-level circuits-based class for all levels of ability. An emphasis on low impact exercises, flexibility, and mobility, which makes this class an ideal class for the over 50's.
